

COURSE CATALOG

e-Learning Courses

Gone are the days when you paid annually for courses based on the number of learners using them, or purchased bundles with courses you don't need. With **Rapid Course**, you pay one flat fee for each course and you get all the course's source files...all with no additional per learner or licensing fees...**ever!**

Rapid Course is built on the award-winning Articulate® software, so customizations are quick and easy! Customize and brand the course yourself, or we can do it for you!

rapidcourse[™]
Buy the Course, Get the Source[™]

Looking for **Off-the-Shelf** content that you can brand and customize yourself?

Tired of annual or per learner fees?

You can get all that and much more with **Rapid Course!**

With **Rapid Course**, it's always **Buy the Course, Get the Source**[™]!

That's right! When you buy a course, you get all the **Articulate**[®] source files so you can customize the course for your organization!!
